

Balsamic Marinated Strawberries

My Brother first introduced me to this deliciousness! This is my take on what he made 😊

Ingredients

3 cups sliced fresh strawberries

½ cup balsamic vinegar

1 - 3 tsp sugar

Directions

Combine strawberries with balsamic vinegar & sugar in a bowl.

Toss, Cover and refrigerate (minimum 1.5 hours) stirring occasionally

Here is where the fun is.....

Serve over?????? Ice cream, whip cream, yogurt, cake, toss with a salad or just a plain bowl of strawberries.

Enjoy 😊
