Serves: 10+

### INGREDIENTS

- 8 oz Horizon Reduced Fat Cream Cheese
- 1 oz Packet of Dry Ranch Mix
- 3 strips of bacon, cooked and chopped
- 1 c Horizon Shredded Cheddar or Mexican Blend Cheese
- 1-2 green onions, chopped (optional)

### INSTRUCTIONS

1. Mx all the ingredients together well.
2. Roll mix into small 2 inch balls, or size preferred.
3. Roll the balls into the remaining cheese and roll between your hands again to get the cheese to stick and lay flat.
4. Chill for about 10 minutes.
5. Remove and create the "pumpkin" lines with the help of a butter knife or icing knife. I make 4 lines for 8 wedges. When making a line, don't go down too deep as you don't want the cheese ball to fall apart.
6. Add half of a pretzel stick and a small piece of parsley for a leaf. Push the end of the parsley every so lightly into the cheeseball near the pretzel.
